

Stadium High School Boosters
111 North 'E' Street
Tacoma, WA 98403

Dear Community Supporter;

Stadium High School Boosters will be holding their annual dinner auction on March 7, 2020. This event raises funds that directly benefit the students of Stadium High School. In past years we have provided necessary funds to enhance many school programs and curriculum needs including our science program, math department, band, sports programs and many more. ***Through this event we have been able to give over \$40,000 per year back to our students and we are asking for your support to make this event a success!***

Please consider helping us with this effort by donating merchandise, a gift certificate for a product or service or making a cash donation which will go directly to student programs. We encourage our Stadium community to patronize businesses that support our school. As a donor you and your business will be in front of many parents, staff, alumni and other school supporters who attend this auction.

Thank you for your consideration and generosity. Because of donations from community leaders like you we can provide the best possible education for our students who will be the community leaders of tomorrow!

Sincerely,

2020 Stadium Booster Auction Team
TAX ID 23-7124012
