Making our way down the yellow brick road with the SHS Theatre Department was an adventure to remember! And the Girls & Boys Wrestling and Boys Basketball Teams had their first matches of the season.

**Go
Tigerst!**

What do you get when you put together over 100 guests, nearly 200 lbs of crab, endless mojitos, 10 lbs of butter, and the Stadium Boosters?!? An amazing evening of community and Tiger spirit! This year's annual Crab Feed was a hit!

The event included a full Dungeness crab dinner, drawn butter donated by Darigold, a cash bar with several drink options, a raffle with several Stadium themed prizes, and lots of Stadium Alumni! The Point Defiance Pagoda was all decked out with fresh flowers, checkered tables, and of course blue & gold! Make sure to join us next year for a night to remember!

Tiger Spotlight

December's Tiger Spotlight is Alex Nilsen, Stadium Senior. Alex enjoys theater, running and making jewelry. She plans to study journalism and communications in college. Enjoy Boosters Vice President Rachael Bouma's interview with Alex!

When did you start having an interest/being involved in theater?

Alex: In fifth grade, at Browns Point Elementary, I started acting and modeling and my love for the arts started then.

What do you enjoy most about theater?

I love the strong community and loving friendships.

What part/job are you performing/doing for "The Wizard of Oz"? What does that entail?

In "The Wizard of Oz" I am in the Rainbow Chorus. We sing throughout the show, the "pit" is all vocals.

How many productions have you been involved with at Stadium?

I have been in four Stadium Theater productions. "In the Heights", "All Together Now", "Grease", and "The Wizard of Oz".

What is your favorite thing about the SHS Theater Department?

I love the versatility that the theater brings to the community. I love that there is space for everyone, it's a very inclusive group.

What has been the funniest/most extraordinary moment(s) during rehearsals?

The cast at Stadium is SO capable and they learn so quickly! Occasionally the sound system (mics) mysteriously have a warped sound. It's funny!

Where will theater take you next? What's next for you?

I plan to go to college and major in journalism and communications. Theater has given me so much confidence and has also given me out of boundary opportunities. I hope to attend UW Seattle next year.

What was your favorite role/production?

I loved being the Assistant Director for "Grease." I was able to have a sight line of the production and formed great relationships with the cast and crew.

Do you have a story/something you'd like to share?

Asia Selah in Chorale at Stadium thought I had a great voice and encouraged me to join theater. I felt included from the very beginning, it's been a perfect fit!

Stadium Senior,
Alex Nilsen

Thank you, Alex, for being our December Tiger spotlight. You are amazing and off to do more great things!

There's no place like the Theatre at the Castle. This year's performance of the Wizard of Oz was nothing less than a beautiful trip over the rainbow! A big congratulations to the wonderful cast and crew for their amazing run! A special 'Thank You' to Liz Jacobsen and Hazel who played Toto.

Stadium's Spring production will be Les Misérables! Show dates are March 23-25 and March 30-April 1.
