

## Hello Tigers!

We are in full swing at Stadium. The Stadium Theatre's Fall Musical 'The Wizard of Oz' is just around the corner, the Booster's return of the Crab Feed is coming up this Saturday, and Stadium sports are on fire! Be sure to check out our Stadium Boosters FaceBook page for daily events and information.

## Your Stadium Boosters are hard at work. Take a look at where some of our funds helped out!

**College in the High School**  
Stadium Boosters fully funded tuition scholarships for four Stadium students to get college credit through Eastern Washington University for an upper-level English Class this Fall. Four students will each get five college English credits this semester through this College in the High School program paid through the Ikeda Bridge Fund.

### Science Simulator

SHS Boosters granted 3 Stadium teachers an annual Gizmos subscription. Gizmos are interactive math and science virtual labs and simulations. Learn more about Gizmos here.

### Second Chance Tobacco

Second Chance is a web-based tobacco education program. It is designed to help students think about the role tobacco and vaping play in their lives and move them toward quitting, allowing them to stay in the classroom instead of missing time while on suspension. SHS Boosters is proud to have funded this program completely this year.

# Save the Dates

# Tiger Spotlight

**Stadium Boys' Basketball is excited for the upcoming winter basketball season! The team is currently participating in Fall League with weekend games at Tacoma Community College playing other high school teams from across the South Puget Sound region. The team has had a successful fall season so far with 5 wins and 1 loss, and we are looking forward to regular season play!**

**We have a dedicated mini-booster committee working on fundraising opportunities to support our team needs including publishing a team roster for games, shooting shirts for all players, travel attire and gear, and funds to support next summer's camps and tournaments. A Givio fundraiser will be launched once the season kicks off building from our successful Givio fundraiser last year. Last year, generous GIVIO donations made it possible for the boys to play in multiple tournaments and attend a University of Oregon overnight camp where the Stadium team played teams from other states while also having the experience of living in the on-campus dorms and experiencing campus life.**

**We are extremely thankful for the support and leadership of Stadium's Booster Club which makes this fundraising possible, and we look forward to the coming basketball season! Go Tigers!**

**Amanda O'Halloran, Basketball Mini-Boosters President**

**Boys  
Basketball
